In re the offer of Sevartha by M A Nirmala chari of Melkote to the Sri Ramanuja chari's Sannidhi at the place

From

The Deputy Commissioner, Mysore Distt

No. 401 dated 12th March 1908

M A Nirmala chari petitioned the Sub Divl. Officer of French Rocks praying for permission being granted to him to replace at his own cost a new door and frame plated with brass sheets to the Sri Ramanuja chari's Sannidhi in the Sri Narayanaswamy temple at Melkote. (Slip S)

The Dy Commissioner has addressed a communication on the subject. In his detailed report, he states that the Sub Divl. officer of French Rocks Slip T

recommends that the petn's prayer may be granted, that the Executive Engineer, Mysore Division, who was consulted in the matter states that by replacing a new door with frame as proposed, there will be no danger To the structure and recommends that Govt may be pleased To accord their sanction To the petitioner's request. It is also reported that a Sengale Rama with Shanka and Chakra on either side of it has been marked on a plate and fixed at the top of the present door frame of the Sri Ramanuja chari's Sannidhi. The Dy. Commr's proposes that as the said plate is removable, the Dy Auditor of the French Rocks Sub Taluk may be authorized To have it removed in the presence of some of the local gentlemen and keep it in safe custody in view To have it fixed in its original place after the proposed are executed by the petitioner. No 401
and

12th March 8

In submitting herewith the bill of Vernacular papers relating to the prayer of Sri. A. Sirumala Char of Melkote for permission being granted to him to replace at his own cost a new door and frame plated with brass sheets as per design marked B in the file to the Sri Ramanuja Char's Sannidhi in the Sri Narayana Swami temple at Melkote, I have the honor to state that the Sub Divisional officer of French Rocks recommends that the prayer of the petitioner may be granted.

2. On a reference being made to the Executive Engineer, Mysore Division, as to whether there was any danger to the temple in case permission be granted to the petitioner to replace the frame and door as requested by the petitioner, that officer has replied "that by replacing a new door with frame as proposed, there will be no danger to

to the structure."

3. A beautiful Mandapam with gold gilt has been offered by the petitioner to the Sri Ramanuja Chara Sannidhi which with the proposed work as per design marked B will be a good match to the Mandapam and give the structure a grand appearance.

4. As the devotee is willing to execute the proposed works at his own cost and as the Executive Engineer is of opinion that there will be no danger to the structure, Government may be pleased to accord their sanction to the petitioner's request.

5. It will be observed from the re-cords and the sketch marked A in the file that a Thengalai Namam with Shanka and Chakra on either side of it has been marked on a plate and fixed at the top of the present door frame of the Sri Ramanuja Chara Sannidhi. As the plate containing the Namam Shanka and Chakra is removable, the Deputy Tahsildar of the French Rocks Sub Taluk may be authorised to have it removed in the presence

of

of some of the local respectable persons
and to keep it in safe custody
in view to have it fixed in
its original place after the
proposed works are executed
by the petitioner.

I have the honor to be,
Sir,
your most obedient Servant,
